MONTHLY OPERATING FINANCIAL REPORT

OCSCC 1004 January, 2021

MONTHLY FINANCIAL REPORT SUMMARY OCSCC 1004 January 2021

Revenue

100% of budgeted revenue has been invoiced.

Expenses Year to Date

UTILITIES:

5010 Gas - Invoice received with period ending December 15th, 2020. An accrual was made for the rest of the month as well as January. This account is over budget at this time however it should recover in the summer months.

5020 Hydro - is reflecting over budget because the budget was Board changed to not reflect the Carma reimbursements. The hydro for January 2021 is an accrual. The Director of Accounting has noted there is \$40k on the budget, but there isn't a budget this year for Carma. We budgeted the entire \$40k to hydro, but please note this may need to be adjusted for presentation purposes

5030 Water and Sewer - A bill was received covering up to the period of December 21st 2020. An accrual was made for the remainder of the month and January 2021.

5040 Telecom - Rogers billing is not corrected and reflecting over budget due to this. We have found old Rogers invoices that have been recorded but not paid. These will be removed.

Utilities are showing as over budget YTD.

Any utility code may reflect a substantial credit/debit however the billing period is 60 days behind and accruals may be under/over the actual expenses.

CONTRACTS:

5440 HVAC is over budget due to the Heat pump cleaning & flushing invoice. of \$10k

5450 Generator - is over budget due to non-equal billing of the contract. This overage represents the largest portion of the contract which is the annual load testing. This will balance itself over the year.

5411 - Cleaning - is over budget due to several cleaning invoices coming in in November. The auditor has been notified of these so they will be accrued in the correct year. This

5470 - Snow Removal is over budget due to under budgeting this year. It has been budgeted 333 per month and actual is 452.00

Overall contracts are coming in over budget due to the HTS and Cleaning invoices to be corrected by the auditor.

GENERAL REPAIRS AND MAINTENANCE:

5508 Carpet Cleaning - This is over budget de to not enough being allocated to this line item during budgeting.

5520 Electrical: This is the repair to the handicapped button on P1 at the garage to building entrance.

5540 Annual Heat pump Maintenance done in October 2020. It will clear as the months progress.

5520 - Electrical is over budget due to Ainger's invoices for activation and monitoring

Overall our maintenance costs are well over budget but will flatten out as the year progresses.

ADMINISTRATION:

5810 Office Expenses - Are ove budget due to not enough being allocated to this line item.

5837 Parking Spaces- is over budget due to removing the visitor parking spots from AR to the expense

Administration is currently on budget

OVERALL

The Corporation is operating over budget. We believe this is mainly due to reclassification of certain invoices and the timing of others. But, at this juncture it will be wise to keep a close eye on discretionary spending.
