Good afternoon,

I was on site on Tuesday of this week.

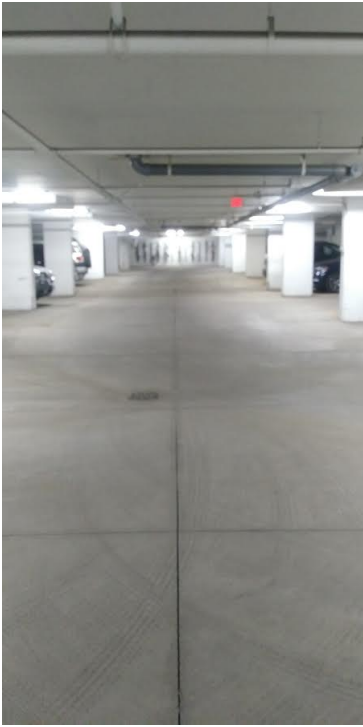

So happy to see the matting removed and the floor is so much easier to keep clean.

You can see it but the Evolution employee is painting the edge of the bins and cleaning them up. So appreciate this team.

Walked the garage to ensure all the lights are functioning took pictures of all the floors but too big a file to send.

I am sending this picture to Rahel to ask them to gently wipe the dust off the pull stations and give the handle on the doors a good clean. YUCKY....

Regards,
