Schedule "A"

**CARLETON CONDOMINIUM CORPORATION NO. 339**

**BY-LAW NO. 5**

BE IT ENACTED as By-Law No. 5 of CARLETON CONDOMINIUM CORPORATION NO. 339 (hereinafter referred to as the "Corporation") as follows:

**ARTICLE I  
DEFINITIONS**

All words used herein which are defined in the *Condominium Act*, 1998 (as amended from time to time), or the Regulations thereunder or any successor thereto, ("the Act") shall have ascribed to them the meanings set out in the Act.

**ARTICLE II  
MEETINGS OF OWNERS**

- (1) Annual Meetings: The Corporation shall hold Annual General Meetings in accordance with the provisions of the Act. Other meetings of the owners may also be held in accordance with the provisions of the Act.
- (2) Attendance At Meetings of Owners: Only the following persons are entitled to attend a meeting of owners:
  - (a) Owners of the units (whether or not they have a right to vote at the meeting);
  - (b) Any other person having the right to vote at the meeting;
  - (c) Representatives of owners, as described in Article II(3) below;
  - (d) Directors and Officers of the Corporation;
  - (e) The Auditor of the Corporation;
  - (f) Any person invited to attend the meeting by the Chairperson of the meeting or by ordinary resolution of the meeting;
  - (g) Any person entitled or required to attend the meeting under the provisions of the Act or the Declaration or by-laws of the Corporation or any other governing law or authority.

Any question as to a person's right to attend a meeting shall be determined by the Chairperson of the meeting, acting reasonably.

- (3) Representatives: An executor, administrator, committee of a mentally incompetent person, guardian or trustee (and where a corporation acts in such capacity, any person duly appointed as proxy for such corporation), upon filing with the Chairperson sufficient proof of his/her appointment, shall represent the owner or a mortgagee at meetings of the owners, and may vote in the same manner and to the same extent as such owner.

(4) Voting:

- (a) Voting at meetings of owners shall be by show of hands, unless a person entitled to vote at the meeting requests a recorded vote.
- (b) At a meeting of owners, a person entitled to vote at the meeting may request that a recorded vote be held on any item scheduled for a vote, either before or promptly after the vote. A recorded vote can be either a poll, a secret ballot (in which case the voter is not identified on the ballot) or an open ballot (in which case the voter is identified on the ballot). When a recorded vote is requested, the meeting shall decide, by ordinary resolution, whether the recorded vote shall be by way of a poll, a secret ballot or an open ballot. A request for a recorded vote may be withdrawn.
- (c) On any vote by a show of hands, a declaration by the Chairperson that the vote on the question has been carried, or carried by a particular majority, or defeated, is, in the absence of any contradictory evidence, proof of the fact without proof of the number of votes recorded in favour of or against the question.
- (d) Votes may be cast either personally or by proxy, in accordance with the Act. The instrument appointing a proxy shall be filed with the Chairperson of the meeting before any vote is cast under its authority. The Chairperson shall resolve any issue respecting the validity of a proxy.

(5) Chairperson:

- (a) Subject to paragraph (b) below, the Chairperson for any meeting of the owners shall be determined by resolution of the Board, or failing any such resolution, shall be: the President of the Corporation, or if the President is unable or unwilling to chair the meeting, the Vice-President of the Corporation.
  - (b) Provided, however, that any other person may be chosen to chair the meeting by ordinary resolution of the meeting.
- (6) Right to Vote: All voting by owners shall be on the basis of one vote per unit. The right of persons to vote at meetings of owners is determined by the Act. Any dispute respecting the right of a person to vote shall be decided by the Chairperson of the meeting, upon such evidence as the Chairperson may deem sufficient.
- (7) Co-Owners: Where the voting rights for a unit are shared by two or more persons (for example, there are two or more owners of the unit), any one or more of those persons may exercise the vote for the unit. Provided, however, that if two or more of those persons decide to exercise the vote, the provisions of the Act shall determine how the vote is to be counted.

**ARTICLE III  
BOARD OF DIRECTORS**

- (1) Number and Quorum: The Corporation shall have a Board of five (5) Directors. A quorum for the transaction of business at a meeting of the Board shall be three (3) Directors.
- (2) Qualifications: Directors must meet the qualifications set out in the Act. They need not be owners.

(3) Election and Term:

- (a) The Directors shall be elected in each case for a term of three years. However, Directors' terms shall expire at the Annual General Meeting of the relevant year. The Directors' terms are staggered. As at the confirmation of this by-law, the Directors' terms are as follows:

<u>Number of Directors</u>	<u>Year of Expiration of Term</u>
1	2002
2	2003
2	2004

- (b) If a Directorship is vacated before expiration of the Director's term (whether by removal, resignation, death or otherwise), the vacancy may be filled, by appointment and/or election in accordance with the Act.
- (c) In the event of an election to fill Directorships with terms expiring in different years, the person(s) receiving the most votes shall be elected to the Directorships with the longer remaining term(s).
- (d) The Directorship which expires in 2002 (see above) is hereby designated as the "owner-occupier elected Directorship" for the purposes of Section 51 of the Act.
- (e) When a Director's term expires, he or she shall retire, but shall be eligible for re-election.

(4) Calling of Meetings:

- (a) Board meetings may be called by resolution of the Board. In such cases, the Secretary or another person designated by the Board shall give notice of the meeting in accordance with sub-paragraph (c) hereof.
- (b) Board meetings may also be called by any two Directors. In such cases, the notice shall be signed by each of the two Directors and one of the two Directors shall give notice of the meeting in accordance with sub-paragraph (c) hereof.
- (c) Written notice of Board meetings shall be given to all Directors at least 48 hours before the meeting. Any such Notice may be given in accordance with Article VII of this by-law.
- (d) A meeting of the Directors may be held by teleconference or another form of communications system that allows the Directors to participate concurrently, provided all Directors of the Corporation consent to the means used for holding the meeting.
- (e) The Board may appoint a day or days in any month or months for regular meetings at a place and hour to be named. A copy of any resolution of the Board fixing a place and time for such regular meetings shall be sent to each Director, but no other notice shall be required for any such meeting.
- (f) No notice of a meeting shall be necessary if all the Directors are present and consent to the holding of such meeting or if those absent have waived notice of or otherwise signified in writing their consent to the holding of such meeting.

- (5) Indemnification of Directors: Every Director and every Officer of the Corporation and the person's heirs, executors, administrators, estate trustees and other legal personal representatives shall from time to time be indemnified and saved harmless by the Corporation from and against:
- (a) any liability and all costs, charges and expenses that the Director or Officer sustains or incurs in respect of any action, suit or proceeding that is proposed or commenced against the Corporation for or in respect of anything that the person has done, omitted to do or permitted in respect of the execution of the duties of office; and
  - (b) all other costs, charges and expenses that the person sustains or incurs in respect of the affairs of the Corporation.

No Director or Officer shall be indemnified in respect of any liability, costs, charges or expenses that the person sustains or incurs in or about an action, suit or other proceeding as a result of which the person is adjudged to be in breach of the duty to act honestly and in good faith.

- (6) Compensation: The Directors shall receive compensation as fixed by by-law for a period not exceeding three (3) years.

#### **ARTICLE IV OFFICERS**

- (1) Elected Officers: At the first meeting of the Board after each election of Directors, the Board shall elect from among its members a President. In default of such election the then incumbent, if a member of the Board, shall hold office until his/her successor is elected.
- (2) Appointed Officers: From time to time the Board shall appoint a Secretary, a Vice-President, a Treasurer and such other Officers as the Board may determine, including one or more assistants to any of the Officers so appointed. The Officers so appointed may, but need not, be members of the Board. One person may hold more than one office and if the same person holds both the office of Secretary and the office of Treasurer he/she may be known as Secretary-Treasurer.
- (3) Term of Office: In the absence of written agreement to the contrary, the Board may remove at its pleasure, and replace, any Officer of the Corporation.
- (4) President: The President shall, when present, preside at all meetings of the Board and shall be charged with the general supervision of the business and affairs of the Corporation.

- (8) Variation of Duties: From time to time, the Board may, by resolution, vary, add to, or limit the powers and duties of any Officer or Officers, including any of the duties described in this by-law.
- (9) Compensation: Compensation of all Officers and employees of the Corporation shall be fixed by the Directors. This provision shall not preclude the Board of Directors from employing a Director as an employee of the Corporation nor preclude any Director entering into a contract with the Corporation for the management of the Corporation.

#### ARTICLE V BANKING ARRANGEMENTS & EXECUTION OF DOCUMENTS

- (1) Banking Arrangements: The banking business of the Corporation or any part thereof shall be transacted with such bank or trust company as the Board may by resolution designate from time to time and all such banking business or any part thereof shall be transacted on the Corporation's behalf by such one or more Officers or other persons as the Board may by resolution designate.
- (2) Execution of Instruments: Deeds, transfers, assignments, contracts and obligations on behalf of the Corporation may be signed by any two Directors. #### **ARTICLE VIII**

##### **ASSESSMENT AND COLLECTION OF COMMON EXPENSES**

- (1) Duties of the Board: The Board shall from time to time, and at least annually, prepare a budget for the property and determine by estimate the amount of common expenses for the next ensuing fiscal year, or remainder of the current fiscal year, as the case may be. The Board shall allocate and assess such common expenses as set out in the budget for such period among the owners, according to the proportions in which they are required to contribute to the common expenses as set forth in the Declaration. The Board shall advise all owners promptly in writing of the amount of common expenses payable by each of them respectively determined as aforesaid, and shall deliver copies of each budget on which common expenses are based to all owners entered in the record kept pursuant to the Act.

  - (a) The owner's monthly common expenses shall be paid in advance on the first day of each and every month next following delivery of such assessment until such time as a new assessment shall have been delivered to such owner.
  - (b) Prior to the commencement of each fiscal year of the Corporation, each owner shall furnish to the Corporation a set of twelve post-dated cheques, or shall arrange for pre-authorized payments, on a system run by the Corporation, if the Corporation offers this service, covering the standard monthly payments due by the owner during the fiscal year on account of common expenses, or in order to facilitate collection shall pay the monthly payments in such other manner as may be directed by the Corporation.

Notice of any such special assessment shall include a written statement setting out the reasons for the assessment and the assessment shall be payable by each owner within ten (10) days after the owner has been given notice of the assessment or within such further period of time and in such instalments as the Board may determine.

(4) Default:

- (a) Arrears of any payments required to be made to the Corporation under the provisions of this Article or under the provisions of the Act shall bear interest at the rate of fourteen percent (14%) per annum and shall be compounded monthly until paid. In addition to the powers of the Corporation set forth in the Act and the Declaration, or by way of clarification of those powers, the powers of the Corporation shall include the following:

- (1) to settle, adjust, compromise or refer to arbitration any claim or claims which may be made upon or which may be asserted on behalf of the Corporation;
- (2) to borrow such amounts as in its discretion are necessary or desirable in order to protect, maintain, preserve or ensure the due and continued operation of the property in accordance with the declaration and by-laws of the Corporation, and to secure any such loan by mortgage, pledge or charge of any asset owned by the Corporation, and to add the repayment of such loan to the common expenses, subject to approval of each such borrowing or loan by the unit owners at a meeting duly called for the purpose if the expenditure is not listed in the Corporation's budget and where such borrowing exceeds five thousand dollars (\$5,000.00);
- (3) to retain and hold any securities or other property, whether real or personal, which shall be received by the Corporation;
- (4) to sell, convey, exchange, assign or otherwise deal with any real or personal property at any time owned by the Corporation at such price, on such terms, and in such manner as the Corporation in its sole discretion deems advisable and to do all things and execute all documents required to give effect to the foregoing;

- (8) to obtain and maintain fidelity bonds, where obtainable, for Directors, Officers, any manager and any employees of the Corporation handling or responsible for the Corporation's moneys or securities. The premiums on any such bonds shall be paid by the Corporation.

#### **ARTICLE X USE OF COMMON ELEMENTS BY NON-RESIDENTS**

Only the occupants of the units shall be entitled to use and enjoy the common elements and assets of the corporation, subject to the following. Owners who are not occupants shall be entitled to use the common elements and assets only to the extent reasonably required to allow landlords to exercise or fulfill their rights and responsibilities as landlord.

#### **ARTICLE XI INDEMNIFICATION BY OWNERS**

Each owner shall indemnify and save harmless the Corporation from and against any loss, costs, damage, injury or liability whatsoever which the Corporation may suffer or incur resulting from or caused by a breach of the Act, or the Corporation's Declaration, By-Laws or Rules (as amended from time to time), or by any act or omission, of such owner, his/her family, guests, servants, agents or occupants of his/her unit (including all related legal costs incurred by the Corporation). All such amounts owing to the Corporation by an owner shall be added to the common expenses attributable to the owner's unit and shall be recoverable as such.

Schedule "A"

CARLETON CONDOMINIUM CORPORATION NO. 339

BY-LAW NO. 8

WHEREAS Carleton Condominium Corporation No. 339 and all of its owners wish to establish an expeditious cost-effective procedure for achieving fair and equitable resolutions to certain disputes;

BE IT ENACTED as By-Law No. 8 (being a by-law respecting dispute resolution procedures) of Carleton Condominium Corporation No. 339 (hereinafter referred to as the "Corporation") as follows:

**ARTICLE I  
DEFINITIONS**

All words used herein which are defined in the *Condominium Act, 1998*, as amended, or any successor thereto (the "Act"), shall have ascribed to them the meanings as set out in the Act.

**ARTICLE II  
APPLICATION OF THESE PROCEDURES**

1. **Application:** The mediation and arbitration procedures described in this by-law shall apply to any disagreement between the Corporation and its owners where mediation and/or arbitration is mandated by the Act. These disagreements shall be referred to hereinafter as the "disputes".
2. **Notice:** Any notice required by this by-law shall be delivered in accordance with the Declaration and By-Laws for the Corporation.
3. **Obligation to Co-operate:** The mediator, arbitrator, and all parties shall make every effort to fully co-operate in all of the procedures described herein, to proceed with haste and to act in advance of any time constraint set out in this by-law. Any failure of the parties to so co-operate will be taken into account in any costs award.

**ARTICLE III  
MEDIATION PROCEDURES**

1. **Notice of Dispute:** Any party to the dispute may initiate these procedures by delivering to the other parties a Notice of Dispute indicating their intention to proceed to mediation. The notice shall describe briefly the issues in dispute, and shall request a pre-mediation meeting as described in paragraph 2 below.
2. **Pre-mediation Meeting:** A meeting of all parties to the dispute shall be held within seven (7) days of the Notice of Dispute being delivered. All parties shall co-operate in arranging such a meeting. The meeting shall be for the purpose of negotiating in good faith a resolution of the dispute and/or to appoint a mediator as described in paragraph 3. This meeting shall not involve a mediator.
3. **Appointment of Mediator:** If the dispute is not resolved at the pre-mediation meeting, the parties shall jointly appoint a mutually-acceptable independent mediator.

The mediator shall be given a copy of this by-law.

4. **Mediation Deemed to Fail:** If the parties are unable to agree upon a mediator or otherwise fail to appoint a mediator, the mediation will be deemed to have failed sixty (60) days after the Notice of Dispute was delivered, or such earlier date as the parties may agree.
5. **Time and Place for Mediation:** The mediator shall schedule the date, time and location for a mediation conference after consulting with the parties. The mediation conference shall be scheduled for the earliest date which is reasonably suitable to all parties, but shall in any event be no later than thirty (30) days following the appointment of the mediator.
6. **Representation:** Unless the parties agree otherwise, any party may be represented at the mediation conference by a lawyer or agent, but any party so represented must give notice, including the name and address of the lawyer or agent, to the mediator and to the other parties at least five (5) days prior to the date of the mediation conference, or such shorter time as the mediator may determine. The mediation conference will be attended by the parties and/or representatives who have full authority to settle the dispute.
7. **Mediation Brief:** Prior to the mediation, each party or their representative will prepare a brief summary of the issues in the dispute setting out that party's position with respect to each issue. This summary must be delivered to the mediator and to the other parties at least five (5) days before the date of the mediation conference, or such shorter time as the mediator may determine.
8. **Required Disclosure:** Prior to the mediation, there will be complete and honest disclosure by each of the parties to the other and to the mediator of all relevant information and documents. This includes providing each other and the mediator with all information and documentation that would usually be available through the discovery process in a legal proceeding. If either party fails to make such disclosure, then any agreement reached in mediation may be set aside. Disclosure must be completed, not less than five (5) days prior to the date of the mediation, or such shorter time as the mediator may determine.
9. **Confidentiality:** The parties agree that all statements made and information exchanged during the course of the mediation are privileged as being settlement discussions. All such statements or information are made without prejudice to any party's legal position and without waiving any rights, and will be non-discoverable and inadmissible for any purpose in any legal proceeding except with the prior written consent of all parties and the mediator.
10. **Mediator's Report:** The mediator shall prepare a report which describes the results of the mediation. The report shall describe the resolution of any issues that have been resolved, and/or that no agreement has been reached on some or all issues as the case may be. At any time during the process, if the mediator determines that it is not possible to resolve the dispute by mediation, the mediator shall prepare a report reflecting this determination. The Mediator's Report shall be delivered to all parties, but to no other person unless otherwise required by law or court order.
11. **Costs of Mediation:** The Mediator's Report shall allocate the obligation to pay the costs of the mediation amongst the parties. Where the mediation fails, the allocation of the costs of the mediation shall be in the absolute discretion of the mediator. Any amount owing by an owner or tenant may be paid by the Corporation, and shall then be added to the common expenses for the unit and collectible as such, including by way of lien in accordance with the Act.
12. **Implementation of Settlement:** Any settlement achieved by mediation shall be carried out with reasonable haste.

#### ARTICLE IV ARBITRATION PROCEDURES

1. **Failed Mediation:** If the mediation is deemed to have failed according to Article III paragraph 4, the dispute shall be submitted to arbitration sixty (60) days after the Notice of Dispute was delivered. If the Mediator's Report indicates that the mediation failed, the dispute shall be submitted to arbitration within thirty (30) days after the Mediator's Report was delivered.
2. **Notice of Arbitration:** Any party to the dispute may submit the dispute to arbitration in accordance with this by-law by delivering to all other parties a Notice of Arbitration requiring the appointment of an arbitrator as described in paragraph 4 below.
3. **Application of the Arbitrations Act, 1991:** The provisions of the *Arbitrations Act, 1991*, as amended, or any successor legislation, shall apply to the arbitration except where a provision of this by-law provides otherwise.
4. **Selection of Arbitrator:** The parties shall agree upon an arbitrator within seven (7) days of the delivery of the Notice of Arbitration.

If the parties are unable to agree upon an arbitrator, the arbitrator shall be appointed by the court according to the provisions of the *Arbitrations Act, 1991*, as amended, or any successor legislation.

The arbitrator shall be given a copy of this by-law.

5. **Time and Place for Arbitration:** The arbitrator shall set the date, time and place for the arbitration hearing after consultation with the parties. The arbitration hearing shall be scheduled for the earliest date which is reasonably suitable to all parties.
6. **Arbitration Brief:** Each party shall deliver to the other parties and to the arbitrator no later than five (5) days prior to the date of the arbitration hearing, written statements setting out the issues in dispute, the party's position on each issue, and the relief sought.
7. **Required Disclosure:** The parties shall exchange all documents on which they will rely at the arbitration no later than seven (7) days prior to the arbitration hearing. Documents not produced within that time frame may only be used at the arbitration hearing with the leave of the arbitrator.

### **CARLETON CONDOMINIUM CORPORATION NO. 339 BY-LAW NO. 10**

BE IT ENACTED as By-law No. 10 (being a By-law to define standard units) of Carleton Condominium Corporation No. 339 (hereinafter referred to as the "Corporation") as follows:

#### **ARTICLE I**

##### **DEFINITIONS**

All words used herein which are defined in the *Condominium Act, 1998*, or any successor, ('the Act') shall have ascribed to them the meanings set out in the Act as amended from time to time.

#### **ARTICLE II**

##### **GENERAL**

- (1) The purpose of this By-law is to define the standard units in this condominium.
- (2) Where the materials or specifications set out in this By-law are uncertain or incomplete, the standard unit specifications and materials shall be consistent with "Builder's Standard" construction. In the case of any dispute as to what constitutes "Builder's Standard", a comparison shall be had to the quality of the particular feature being offered by builders of comparable construction at the time of the damage.
- (3) The standard unit does not include features which are part of the common elements. The Corporation's declaration determines which features are part of the common elements and which features are parts of the units. To the extent that the attached schedules include features which are part of the common elements, they are included for reference and information purposes. They are not intended to be part of the standard unit.
- (4) Except as otherwise indicated in this By-law, the standard unit(s) shall include all features of the units mentioned in the declaration or shown in the description (including all registered architectural and structural drawings) of the condominium. In the case of any inconsistency between the description and the schedules to this By-law, the schedules to this By-law shall prevail.

If any component of the standard unit must be upgraded or changed in order to comply with any applicable governmental regulation or code or other law applicable to the repair of insured damage or destruction, the said upgrade or change shall be

considered part of the standard unit despite not being clearly defined herein as being part of the standard unit.

(7) Where the schedules to this By-law refer to specific brands of equipment or materials, this shall be deemed to include equivalent brands.

(8) In this condominium, there are eight (8) different classes of standard units. Each class is based upon a different model of unit in this condominium.
