MONTHLY FINANCIAL REPORT SUMMARY OCSCC 687 October 2017

Revenue

Slightly greater than 100% of condo fees have been invoiced. We remain slightly over budget. This is related to a combination of parking rent being allocated to the incorrect income account and rounding differences in fees.

Guest Suite Revenue is now indicating an over budget amount of \$1,606.00.

Operating Interest Income is under budget by \$2,541.31. Interest from the operating accounts is being applied on a monthly basis as reported on the bank statement. Any accrued income on investments is reported by the auditor after the annual audit.

Expenses

Our utilities expense year-to-date are as a whole under budget by \$115,201.24. The variance in weather would be a main contributor to these savings.

Employee Salaries and Benefits are \$49,961.98 continue to be lower than budgeted.

Overall, contract expenses are over budget by \$43,430.34.

- Cleaning: \$24,561.28 over budget because the duties of the in-house cleaner have been outsourced to Spot Maintenance. This will be an ongoing variance until the end of the fiscal year.
- **Mechanical Maintenance:** Maintenance to the HVAC system is over-budget by \$26,834.01 mainly due to high priced repairs.
- **Snow Removal:** As explained in previous months, high snowfall for the 2016-2017 season contributed to the increase overage amount of \$4,201.37. This will be an ongoing variance until the end of the fiscal year.

Overall, General Repairs and Maintenance expenses are over budget by \$85,900.02.

- **Building Supplies:** Various building supplies such as an industrial vacuum, painting and other maintenance supplies as examples were required. The actuals indicate a total of \$10,719.12 that was not budgeted for.
- General Repairs & Maintenance: Over-budget by \$3,639.98. Unexpected equipment rentals for the Library were a contributor to this increase.
- Additional Building Cleaning Supplies: Cleaning supplies such as bleach, extendable duster and nitrite gloves as examples were required to perform certain housekeeping. The actuals indicate a total of \$2,433.28 that were not budgeted for.
- Waste System: Over-budget by \$685.39 due to garbage compactor and garbage chute cleaning.

- **Electrical R&M:** ballast replacements continue to be key drivers in an over-budget amount of \$9,210.39.
- **Fire System Repairs:** There were several large expenses that account for the variance. Parts and labor to replace expansion power supply & amplifier, booster pump replacement, removal of the temporary pump and the addition jockey pump all came to an cumulative amount of nearly \$20k.
- **Doors, Keys, Locks:** Over budget by \$14,649.45. Numerous service calls to Com-Net were made to repair/replace elevator control boards and keyscans resulting in fees of approximately \$9,000. Important to note that every time Com-Net accesses the elevator room for servicing, Thyssen is called resulting in additional fees.
- **Elevator:** Over budget by \$6,026.52 of which approximately \$2,300 was for entrapment related calls and \$3,500 was to allow Com-Net access to elevator room.
