A Note From Scotia iTRADE

Auditor's Message

Our auditors, KPMG LLP, are presently engaged in the examination of our year-end financial statements. Please compare this statement against your records and advise our auditors of any discrepancies: Shareholders' Auditors, Attention: Olivia

Giammarioli, SCI Audit Team, Bay Adelaide Centre, 333 Bay Street - Suite 4600, Toronto, ON, M5H 2S5, Canada, fax at (416) 777-8818 or email: scotiacapitalconfirm@kpmg.ca.

Important Notice for Clients Turning Age 71 this Year

Federal legislation requires that Registered Savings Plans (RRSPs) be converted to a source of retirement income by December 31st of the year in which you turn the age of 71. If you were born in 1947, you must convert your RRSP assets by the end of 2018.

How to... Make it Happen

Gain investing confidence and make the most of the tools and resources available from Scotia iTRADE®. Visit: scotiaitrade.com > About > How-To Resources.

Terms and Conditions

Terms and Conditions are applicable to your account(s). For further details of these terms and conditions go to <http://www.scotiaintrade.com/>.

Order-Execution Only Account

Only Account means that Scotia iTRADE does not provide recommendations or accept any responsibility to advise clients on the suitability of investment decisions or transactions.

Statement Frequency

Statements are issued whenever there has been activity in the account during the past month; otherwise statements are issued on a quarterly basis.

Leverage / Margin Risk Disclosure Statement

The use of leverage may not be suitable for all investors. Using borrowed money (whether through a margin account or any other method of borrowing) to finance the purchase of securities involves greater risk than using cash resources only. If you borrow money to purchase securities, your responsibility to repay the loan and pay interest as required by its terms remains the same even if the value of the securities purchased declines.

Account Summary

The term 'Net Asset Value' refers to the total market value of priced securities within your account, by currency, including cash balances as at the close of business on the date indicated.

Adjusted Average Cost and Adjusted Book Value

Adjusted average cost represents the average cost of acquiring one share/unit of a security including commissions, fees, reinvested dividends and/or mutual fund distributions. This has been calculated to the best of our ability. Adjusted book value is the total cost of acquiring a security - the total of your adjusted average cost times the number of shares/units you hold of a security.

Cash Balances

This section shows the balance in your account, including all transactions that have settled. A debit balance is indicated by '-' and represents an amount owed to Scotia iTRADE. A credit balance in a Regular account represents an amount owed to you, whereas a credit balance in a Registered account indicates the cash portion of your assets.

Free credit balances in Regular accounts represent funds payable on demand which, although properly recorded in our books, are not segregated and may be used in the conduct of our business. Cash balances in Registered accounts are held in trust by the trustee.

Asset Class Summary

Asset classes you hold will be displayed under the Asset Class Summary section in the statement. Please note that only the asset classes of securities you currently hold in your account will be displayed on your statement.

Payment Information (RRIF and LIF Accounts Only)

The information displayed reflects our records as of the statement date. The Selected Payment Frequency indicates the payment frequency as of the statement date. Minimum Annual Payment refers to the minimum annual amount required by Canada Revenue Agency from your RRIF account. If, according to our records, you have elected to receive an annual amount greater than the minimum payment, then this amount will be displayed as the Elected Payment Amount. Withholding tax will be applied to amounts withdrawn in excess of the Minimum Annual Payment. The Year to Date Payment amount displayed is the total amount of the payments paid to you, after withholding tax has been deducted, if applicable.

New Activity in Your Account

This section shows all the activity in your account during the month. The Date column refers to the settlement date in the case of executed trades, or processing date in the case of other entries. Transfers of funds made to your account on the last business day of the month may not appear on your month end statement until the following month.

Short Account

Proceeds from declared short sales have been segregated into a SHORT account and market increases and/or decreases from the original sale price are marked to the market. Such increases and or decreases are transferred to your margin account weekly. Transfers are reflected with the description 'Mark to Market.'

Your Account Holdings

The market valuation information has been obtained from sources believed to be reliable; however, we cannot guarantee their accuracy. Our best efforts have been made to price all securities; however, in some circumstances, we may be

unable to obtain valuations. A current market quotation can be made available upon request.

Segregated Quantity

Securities regulations stipulate that all fully paid and excess margin securities must be promptly segregated and are not available for use in the general conduct of our business. All security positions displayed under the account holdings section are segregated unless otherwise indicated under the security description column. Securities registered in your name are also indicated under the security description column.

Third Market Dealers

In connection with certain trades in securities of U.S. issuers, Scotia Capital Inc. will receive remuneration for directing orders to a particular broker-dealer or market centre for execution. The source and amount of any such remuneration received by Scotia iTRADE in connection with any transaction executed on your behalf will be disclosed to you upon request.

Member-Canadian Investor Protection Fund

Customers' accounts are protected by the Canadian Investor Protection Fund within specified limits. A brochure describing the nature and limits of coverage is available upon request.

Endnotes

1. There has been an adjustment made to this book value during the statement period.
2. There is no active market for this investment, and therefore the market value has been estimated.
3. There is no active market for this investment, and the market value cannot be determined.
4. If this position is sold, a sales charge may be applied to the proceeds.
5. Some or all of the book value of this position has been determined using a market value calculation.
6. The book value of this position cannot be determined.

Other Information:

Employees of The Bank of Nova Scotia ('Scotia Capital') and/or Scotia iTRADE are not authorized to provide tax or legal advice. Please consult your accountant or lawyer on such matters.
