MONTHLY FINANCIAL REPORT SUMMARY OCCC634

September, 2018

Revenue

100% of condo fees have been invoiced.

No other major variances to report in the revenues.

Expenses

Utilities are well under budget due to hydro \$794.82. This will clear as the months change.

Contracts are overall under budget however for Pest Control the code is over due to the infestation on the roof and the subsequent repairs. What is keeping this code under budget is snow removal.

Repairs and Maintenance are under budget as the expenses for common area painting and sprinkler head relocations were transferred to reserve.

Administrative: the audit has not been billed the account will clear when invoiced. Cheque will be issued in October, 2018. Electronic communication is reflected in the savings of the office expenses.

Legal costs for the declaration and by law review as well as the enclosed parking spot and easement for the vestibule investigation has added extra unforseen costs.
